The Mississippi 100, a list of leading Mississippi-based private companies, is compiled by the Mississippi Business Journal from information submitted by individual companies and other reliable sources. It is provided to our readers for general information purposes only. Companies are ranked by total dollar amount of their annual sales revenue. The MBJ relies on survey respondents to be accurate and truthful in their representation of listed information. Not every company discloses their annual revenue by press time and in some instances such data may be based on MBJ current market calculations and industry analysis. Please send questions, comments or survey requests to [research@msbusiness.com](mailto:research@msbusiness.com). 1. Estimated annual sales

The Mississippi 100, a list of leading Mississippi-based private companies, is compiled by the Mississippi Business Journal from information submitted by individual companies and other reliable sources. It is provided to our readers for general information purposes only. Companies are ranked by total dollar amount of their annual sales revenue. The MBJ relies on survey respondents to be accurate and truthful in their representation of listed information. Not every company discloses their annual revenue by press time and in some instances such data may be based on MBJ current market calculations and industry analysis. Please send questions, comments or survey requests to [research@msbusiness.com](mailto:research@msbusiness.com). 1. Estimated annual sales
